Proceeds from the sales of the ALPS annual souvenir plates benefit ALPS's general fund and help to keep the registration fees at ALPS meets reasonable while still being able to put on the type of meet you expect. Although our costs to put on meets have increased dramatically in the past several years, sales of souvenir plates and t-shirts have helped us offset most of the gap. Please help us maintain the quality of meets you expect from ALPS by supporting our souvenir plate program.

**Sequential "Chiracahua National Monument" license plates:**

Sequential plates will be available for pre-order for numbers from 4-99, 00, and 0 on the 2018 Passenger Plate. The Motorcycle plates will be available with numbers 4-25 (same process as past years). The number for each plate will be reserved for the person who purchased that number on last year's 2017 "Steerhead Centennial" plate. If the number is not pre-ordered and paid for by Dec 1, 2017; then the number is released and available to whoever is first to request it during the pre-order period. Numbers 1,2, and 3 will be sold at ALPS auctions in 2018. **Sequential plates will be \$15 each.**

For the future 2019 plate, the person who bought the Chiracahua plate in 2018 will have the priority on that number for 2019. For plates numbered 0-99, no more than one plate of each type and number will be made. If you buy a sequential plate, nobody else will have that plate and that number but you.

**Vanity Plates:**

Vanity plates will be available again this year on either the Chiracahua Passenger or Motorcycle base. The Passenger plate can take up to **eight (8)** numbers/letters, and the Motorcycle plate can take up to **five (5)** numbers/letters. No vanity orders will be accepted for numbers 1-99, 0, or 00 as these are part of the sequential series. Duplicates will be issued for vanity requests, so it is possible someone else might have your same "vanity" plate. **Vanity plates will be \$20 each.**

**Order Deadlines:**

Vanity plate orders **must be received with payment by Dec 1, 2017.** No vanity orders will be accepted after Dec 1<sup>st</sup>. Sequential plate orders must be received by Dec 1, 2017 in order to guarantee you get a specific number. We will make extra sequential plates for both types of plates to sell at ALPS meets in 2018, but not all numbers will be made. If you must have a specific number, pre-ordering is by far the best way to increase your chances of getting the number. If you want a plate but don't care about the plate number, we should have some available for cash purchase at the first few meets of the year.
