Sept 19, 2021

To the ALPS Nation...

Please find attached the flyer for our next meet in Casa Grande at the Pinal County Fairgrounds on October 9th. Hopefully the weather will be cooler by then and we can enjoy another great day outdoors.

Your ALPS officers which include myself, Bruce, Dean, and Kevin have not been notified about any mask requirements for the fairgrounds. So unless we are notified otherwise in the next couple of weeks, it will be back to the usual "Please wear a mask if you are not vaccinated, masks optional for vaccinated attendees." Please keep in mind this policy may change up to the meet date so it is recommended everyone have mask in the car 'just in case' we are directed to revert back to masks for all. We are planning to provide a full BBQ lunch brought to you by our grill master Bruce Biemeck, and donuts and coffee in the morning. If you have any questions please contact any of your ALPS officers.

PLEASE RSVP if you expect to attend this meet. It helps us with capacity and also if there is a change in this event we can let you know. But we can't notify you if we don't know if you are attending. Please let us know if you plan to attend.

1946 Arizona Commercial Sticker: ALPS is helping a member sell a mint condition, 1946 Arizona Commercial sticker. The identity of the seller is being kept anonymous; however we have a good color copy of the sticker. We will be developing an auction-type process to determine who will have exclusive rights to acquire this rare sticker. If you are a potential buyer, please let Bruce or Clark know ahead of time, or at the meet in the morning. If you are not able to attend the meet, we can take remote bids and provide details as needed beforehand. The sticker is not in our possession however it is in the state of Arizona. We wanted all interested parties to have a 'fair' opportunity to acquire this sticker, but also help the seller get a fair price.

We will also have a meet scheduled in Maricopa on November 20th, and are working on a full 2022 schedule.

Thanks all for your continued support of our club.

Clark

Clark Wo the,
President, Arizona License Plate Society
