

Arizona License Plate Society SCRAPBOOK

On March 29, 2014 - A spirited group of 69 people (47 members, 22 guests) made the trek to Tombstone for our first ever meet in Cochise County! About half came down Friday night, and several stayed the entire weekend. Special thanks to the hosts **Ed and Roxanne Williams** who went out of their way to accommodate us. **Roxanne** worked hard to ensure nobody was left hungry, and **Ed** made sure there was plenty of tables and shade available. Several members traveled from out of state. The long distance winner was **Don Mettler** from New Jersey. The display theme of "Low and High Numbers" brought five great displays. Judging was very close overall but first went to **Wally Punzmann**, Second to **Dave Pinter**, and Third to **Ken Fite**. After the meet, several members went on a walking tour of Tombstone with **Bill Barlow** and we learned quite a bit about Tombstone's rich history.
