

Arizona License Plate Society SCRAPBOOK

On April 2, 2016, 56 people (43 members, 13 guests) attended our spring meet at **Joe Findysz'** place in Tucson. This has been a favorite of ALPS members for many years. Thanks to **Joe and Kelly Findysz** for hosting, and to all who attended. There were four great displays in the category "Mystery Plates". **Charlie Smith** won first place. **Bob LaBrash** won second, and **Bruce Pearson** took third. The Long Distance Award went to **Don Mettler** visiting from Keasbey, New Jersey. Special thanks to **Wayne Tranter** and **Bruce Biemeck** who cooked marinated chicken and steak on the grill. Special thanks also to **Chris LaBrash** and the rest of the lunch gang for making our meet a success. As was the case with several past meets, Joey Hurd plates were available to all. And don't forget the variety that our own '16 Lizards' brings to the group. Thanks to all!
