71 people (58 members, 13 guests) attended our first meet at the Martin Auto Museum in Phoenix. This unique museum showed off an incredible array of automobiles from throughout history, and the museum's management was very accommodating to ensure our meet was a success. Our display theme of "Counties" brought five displays, with Wiley Chinn taking first with a 1958 Colorado county run, and Arlon Burns and Dave Pinter taking second and third. Long distance award went to Joe Ciancio from Illinois. Thanks to all!
