On May 16, 2015 – 49 people (37 members, 12 guests) attended our May Tucson meet at **Joe and Kelly Findysz'** place in Tucson. Thanks to all who attended, yet another great meet. As usual, Joe's collection of firetrucks and other vehicles was a highlight of the meet. Special thanks to Joe, as well as **Dean Sandvold** and **Bruce Biemeck** who helped cook the BBQ citrus chicken sandwiches. The display theme of "Plates from my early years of collecting" brought three displays, with **Wally Punzmann** winning first, **Clark Wothe** taking second place, and **Dean Sandvold** with third. The Long Distance Award went to **Ray Havens** visiting along with **Peter Cinquegrana** from San Diego. Thanks again to all who attended!
