

Arizona License Plate Society SCRAPBOOK

On August 5 2017, 60 people (50 members, 10 guests) attended our summer meet at the Martin Auto Museum in Phoenix! Rick Simmers, Mel Martin, and the ENTIRE staff of the Martin Auto Museum are great hosts for our group. In addition to the usual collection of classic cars from the Martin collection, those that so desired could ride the merry-go-round! Our display theme of Motorcycle plates brought three displays. First place went to **Wally Punzmann**, second went to **Justin Beus**, and third place went to **Steve Giancola**. The Long Distance Award went to **John Northup** visiting from Utah. Special thanks go out to Barro's Pizza, who once again gave us a great deal on pizza for everyone. **Ed Myers** and **Lou Yero** made a special presentation to the Martin Museum – a framed set of Chauffeur's badges. The badges now adorn the wall of the conference room at the museum. Thanks to all of our volunteers and attendees!

A display of chauffeur badges was donated to the museum on behalf of Ed Myers
