

# Arizona License Plate Society

## SCRAPBOOK

On September 30, 2017, 62 people (51 members, 11 guests) attended our fall meet at the VFW Post 720 in Phoenix. The site was a last minute scramble due to getting double booked (bumped) at the Open Wheel Racing Museum.

Other than a few falling ceiling tiles and some extra asbestos dust, the replacement site worked out well and we had a great meet! Thanks to **Chris LaBrash and Nancy Garcia** who helped serve the fried chicken lunch, with all of the sides of course! The display theme brought five great displays in the category "Oddball Arizona". First place was won by **Bob LaBrash**, second by **Ken Fite**, and third by **Charlie Myers**. The Long Distance Award went to **Wayne Daley** from Seabrook, NH! Although it is also worth noting attendees from Alberta, New Mexico, Nevada, and California. Thanks to all attendees!
