AA – John Ewing – Winnipeg, Manitoba

Here is my entry into the Sept bingo. On close inspection you might see a few rule benders, for example:

- my Bob Taylor plate comes to me from a friend of a Bob Taylor plate collector in MB
- my Australia plate came to me when I chucked a plate out in to the trees and that is what came flying back
- my MLB team plate is the Goldeyes team here in MB , a professional baseball feeder team to the big leagues
- and my AZ alphabet soup plate, quite literally

So, by my reckoning, my card is full, or full of it!

BB – Gary Brandon – Rogers, Minnesota

I am sending you a picture of my entry for the license plate bingo game. I am short 4 plates.

CC – Eric Sundius – Sierra Vista, Arizona

Thanks for hosting another Quarantine meet! My submissions are attached.

DD – Bob LaBrash – Phoenix, Arizona
