

Map To Glendale

Take I-17 North of Phoenix to Happy Valley Road (Exit 218)

Head West on Happy Valley Road about 2 miles to 49th Avenue and turn left (south) on 49th Avenue.

Watch for the ALPS signs, the driveway will be on the left as you arrive. If you are selling come up the driveway. If not

**24817 North 49th Avenue,
Glendale, AZ 85310**

Howie has a large garage space / museum and a large paved driveway space where sellers can bring in their cars and set up their own tables, or sell out of the trunk.

There will be limited garage space and “a few” tables available for smaller sellers.

If you are not setting up a table, look for street parking on 49th Avenue and follow the ALPS signs! The meet is “mostly” outdoors without much shade. So dress for the weather, especially hat and sunglasses. Be sure to take time to explore Howie’s cool museum and vehicles!
