2024 ALPS Souvenir License Plates – Order Now!
Order forms for our 2024 plates are here! Deadline to order is Dec 31, 2023. We do not anticipate these plates will be ready in time for the February meet in Globe so we will likely deliver these plates at our April meet in Buckeye. Souvenir plates are a great way to support the club you love, and have a great keepsake for ALPS! Please order a plate! We will have applications at the meet.

MARK YOUR CALENDAR:

February 3, 2024 – Gila County Fairgrounds in Globe!

April 6, 2024 – Dave Ker’s Museum in Buckeye!

....More dates to follow!

TABLES: Meet will be outdoors and uncovered, please dress prepared for the weather. The restaurant has about 25 miscellaneous size tables spread around the lot and has committed to borrowing several additional tables. We have been at this site five times and each time have had plenty of tables, this time should be no different. Most of the large concrete stage won’t be available except only in the early morning. Just in case though, if you require more than three tables, please bring your own. In addition, if you have tables available, please bring the tables to help us out, we would appreciate it very much. We would rather have too many then not enough.

The Raceway Bar and Grill Story...

We decided to move to Arizona from Chicago in 1987! We always enjoyed cooking entertaining guests, and collecting antiques. To share our passion we opened Raceway Bar and Grill in 2007. Located just shortly out of the city of Maricopa we hope we can offer you a fun destination for the **WHOLE FAMILY!** -The Del Cotto Family.

From ALPS: THANK YOU RAND AND JEANNA DEL COTTO!!
