

# SHOW US YOUR BEST DISPLAYS!

The display theme for this meet is “Recent Acquisitions” (generally plates you have acquired in the last couple of years). For bonus, tell us how you acquired the plates! Awards for 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> place.

**2025 ALPS Souvenir License Plates – Order Now!**  
Order forms for our 2025 plates are here! Deadline to order is **Dec 1, 2024**. Note the earlier deadline this year. We are “hoping” these will be ready for the Feb 1 meet in Tucson, but most likely we will likely deliver these plates at our April meet in Buckeye. This year’s plate salutes the history of Fort Huachuca. Souvenir plates are a great way to support the club you love, and have a great keepsake for ALPS! Please order a plate! We will also have applications at the meet.

**TABLES:** Meet will be outdoors and uncovered, please dress prepared for the weather. The restaurant has about 25 miscellaneous size tables spread around the lot and has committed to borrowing several additional tables. We have been at this site five times and each time have had plenty of tables, this time should be no different. Most of the large concrete stage won’t be available except only in the early morning. Just in case though, if you require more than three tables, please bring your own. In addition, if you have tables available, please bring the tables to help us out, we would appreciate it very much. We would rather have too many then not enough.

## **The Raceway Bar and Grill Story...**

We decided to move to Arizona from Chicago in 1987! We always enjoyed cooking entertaining guests, and collecting antiques. To share our passion we opened Raceway Bar and Grill in 2007. Located just shortly out of the city of Maricopa we hope we can offer you a fun destination for the **WHOLE FAMILY!** -The Del Cotto Family.

**From ALPS: THANK YOU RAND AND JEANNA DEL COTTO!!**
