## MEMBER SPOTLIGHT

**Birth Year:** 1960

**Residence:** Glendale, AZ  
**Occupation:** Retired Nurse

**How did you start collecting plates? Was there someone who was your mentor?**

I started collecting license plates on my first vacation in the U.S. At this time I looked for US Car parts from the 1950's and I saw my first license plate on one of the old cars. The junkyard guy told me to take as many as I wanted for free. That was in 1991.

**How did you hear about the Arizona Regional?**

I learned of the Arizona meets through Bob Taylor.

**What plates do you collect and which are your favorites? Where do you get most of your plates?**

I am collecting all new U.S. graphic plates.

**Do you have tips for newer members on the best places to acquire plates?**

Sure – maybe on [www.license-plate-store.com](http://www.license-plate-store.com) or at any ALPCA meets (and at ALPS meets)

**How often do you make it to Arizona License Plate Society events?**

I make about 3-4 meets per year.

**Which plate in your collection has the best story?**

Two years ago I went on vacation in Missouri. At a 1950's restaurant I talked with a guy about 1950's cars. I told him I'm collecting license plates and he said, "Here, you can have my plate." It was a Missouri "Saint Louis Zoo" plate with a lion on it.

**How many plates are in your collection? What types? What do you wish you had more of?**

I have about 280 plates in my collection. I wish I could get more NY, SC, MD, and NC Special Issues.

**Do you display your plates?**

No – I do not display my plates.

**What other non-license plate hobbies do you have?**

I am interested in US cars like street rods and Harley Davidson motorcycles.

**Let's hear about you! Please contact Clark Wothe if you would like to be featured in the ALPS Member Spotlight!**
