

From I-10, Toltec Road is south of Casa Grande and north of Eloy to Exit 203 "Toltec Road". Take Toltec Road North (turn right if coming from Tucson, Left if coming from Phoenix). TA Truck Stop is at this exit.

Drive North about one mile and turn RIGHT on "Frontier St" (right after crossing the railroad tracks), then an immediate LEFT on Shedd Road (near the "Multi Mart"). Shedd Road then "Y" leans to the RIGHT and the site is one block away. If you miss the quick left onto Shedd Road you can also get there from Shira Road.

This is a tricky turn, please study the map carefully beforehand so you will not miss the series of turns.

See you there!

NOTE:

This site is SMALL, one of the smallest we've ever had. So it will be tight indoors. Please bring tables if you are able but there will not be a ton of extra space. Plenty of room outside but area is not well shaded so we will try to fit everyone indoors.

It worked great last year!

Hope to see everyone there!
