

Arizona License Plate Society

SCRAPBOOK

84 people (65 members and 19 guests) attended our fall meet at the Arizona Open Wheel Racing Museum in Phoenix. This was our second year at this site, and attendance has been gangbusters. Members attended from FL, MI, NV, NM, CA, and of course Arizona. In addition to the meet, the museum was open to see the history of racing in Arizona. Many race cars, photographs, and other memorabilia was available to be seen. Thanks to Joey Hurd for sending out a great selection of plates for our members! The display theme of 'Foreign Plates' brought five displays. First place was won by **Bruce Pearson**, second place **Bob LaBrash**, and third place **Julio Abraham**. The long distance award was presented to **Jeff Francis**, who makes frequent trips all the way from Florida to see us! A fried chicken lunch was served so nobody went home hungry. Thanks also to Jeff Francis and Julio Abraham for helping out with the auction. See you in November
