

Arizona License Plate Society

SCRAPBOOK

On November 19, 2016 – 71 people (53 members, 18 guests) attended our 2016 year end meet in Maricopa at Raceway Bar and Grill. Special thanks to **Rand Del Cotto** for making the site available, as well as arranging for the tables and food. As with many ALPS sites, there was lots to see and explore. Hopefully everyone had the opportunity to see Rand's epic collection of "stuff". An extra large silent auction with about 40 different lots were available thanks to generous donations from **Vince Dimiceli** and **Joey Hurd**. The display theme of Americana brought five displays, with first being won by **Ken Fite**, 2nd by **Bob LaBrash**, and 3rd by **Dean Sandvold**. The **Greg 'Zeke' Donaldson** Favorite Plates Award was won by **Dave Pinter**, with 2nd to **John Ewing** and 3rd by **Bob LaBrash**. Dave's display featured a plate flanked by photos of Dave at past ALPS meets, reminding us that ALPS is really about good times and good friends. Hope everyone had a great time, we are Making ALPS Great Again!
