SCRAPBOOK

On March 31, 2018, 72 people (56 members, 16 guests) attended our spring meet at the Pinal County Fairgrounds near Casa Grande. Special thanks to **Bruce Biemeck, Dean Sandvold, and Kevin Allen** for setup help. Thanks to **Bruce and Dean**, as well as **Chris LaBrash and Ann Baker** for help with lunch and cleanup. The work the volunteers put in to make these events happen are the reason the ALPS meets are so successful. Please be sure to thank your ALPS volunteers. All had a great time, and of course we had some more great plates available at the auctions. The display theme of "GO Green" brought several great displays. Winners were **Kerry Weishaar** (1st), **Charlie Smith** (2nd), and **Bob LaBrash** (3rd). The long distance ALPCA member who attended was **Don Mettler** visiting from New Jersey.
