

# Arizona License Plate Society SCRAPBOOK

On May 19, 2018, 63 people (47 members, 16 friends and family) met in Tucson at Joe Findysz garage. Each year, Joe seems to have even more classic vehicles to see. Many members were there for the first public offering of the Dick Pack plates as well as the collection recently acquired by Bruce Pearson. Add to it Vince silent auction plates and this meet had an epic selection of plates available. Almost lost in the mix was the display theme of Tribal Plates. Dean Sandvold took 1<sup>st</sup> place with a great display of Minnesota tribal plates. Perry and Alex Kastanis took 2<sup>nd</sup> with a display of recent tribal optionals, and Tom Taylor took 3<sup>rd</sup> with a small display of Oklahoma Cherokee plates. Dan Ciancio from Illinois won the long distance award. Lunch was catered by Lucky Wishbone Chicken. Thanks to all who attended!
