

Arizona License Plate Society

SCRAPBOOK

On August 4, 2018, 51 people (40 members, 11 friends and family) met for our first ever meet in Coolidge, at the Artisan Village of Coolidge. in Tucson at Joe Findysz garage. We had both the Air Conditioning and the FUN cranked up for this meet. This was a great new site that is a good halfway point between Phoenix and Tucson, and had great shelter from the heat. Of course, our ALPS members didn't disappoint and provided an epic selection of plates available. Hopefully some members were able to check out the Historic Casa Grande Ruins just down the street. The display theme featured "Rare but NOT Valuable" and we saw a good variety of plates. Ken Fite took 1st place, Perry and Alex Kastanis took 2nd, and Terry Beck took 3rd. Jim Carden from Michigan won the long distance award. Lunch was good ol' Little Caesars takeout. Thanks to all who attended!
