## September 22, 2018

### License Plate Club Meet

St Matthew United Methodist Church

2540 W Baseline Road

## Mesa, AZ

an **ALPCA** regional

(See map on the back of this page)

**Meet runs from 8:00 to 2:00 pm**

Please do not arrive before 7:30.

**Registration fee for all attendees is \$10.00**

**St. Matthew**  
United Methodist Church

The church is a new site hosted by Kevin Allen. Like with most of our new sites, we don't always have a good idea how many tables we will have available. If you are able to bring some to help, we certainly appreciate it. If we run out, we will start to 'reallocate' tables from those that use a large number of tables.

Site is indoors and air conditioned. The parking is in the main lot on the backside of the Church from Baseline. Turn on El Dorado then left on Javelina. Watch for the ALPS signs.

*Please RSVP by Wed 9/19 to Dean at 520.733.3391 or email Clark at [alpsclub@cox.net](mailto:alpsclub@cox.net). Please indicate how many people will attend, **Thanks!***

## Retro Designs

Awards presented for 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> place.

Awards determined by popular vote of all attendees.

Retro Designs are either:

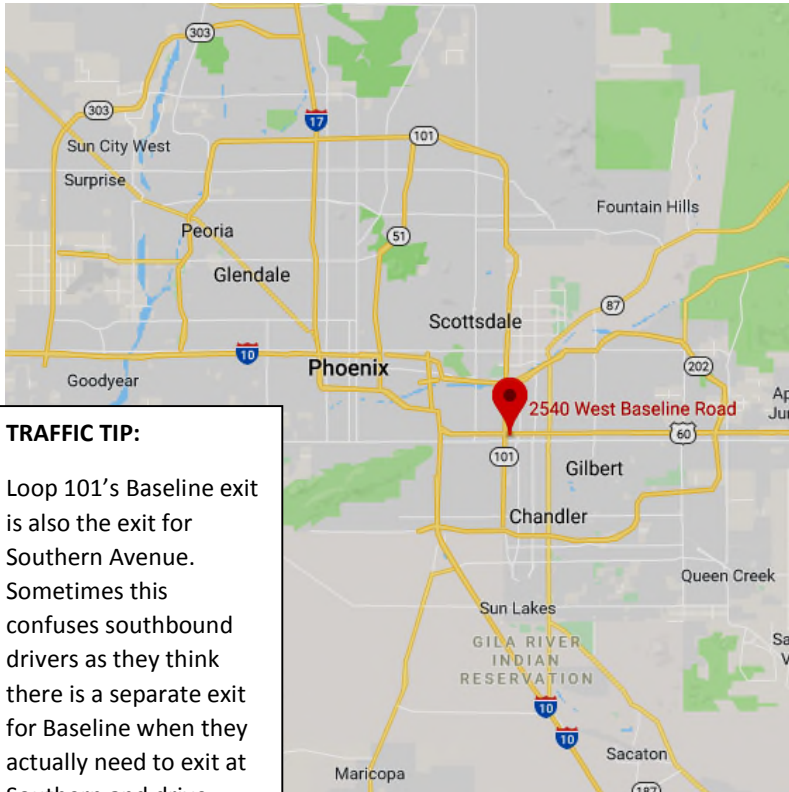

- 1) Recent license plates that use design elements of past classic designs
- 2) Past classic graphic plates or designs that have not been used in a long time

Find the Interchange of Loop 101 and US 60 Superstition Freeway at the Mesa/Tempe border.

# MAP TO MESA

- If Southbound on Loop 101 – Exit 54 Baseline Road and turn left on Baseline
- If Northbound on Loop 101 – Exit 55C Baseline Road and turn right on Baseline.
- If Eastbound on US 60 - Exit 177 Dobson Road and turn right on Dobson, then right on Baseline
- If Westbound on US 60 – Exit 177 Dobson Road and turn left on Dobson (over the freeway), then right on Baseline

St Matthew United Methodist Church is on the corner of El Dorado and Baseline. Park in the back lot or along the street.

### TRAFFIC TIP:

Loop 101's Baseline exit is also the exit for Southern Avenue. Sometimes this confuses southbound drivers as they think there is a separate exit for Baseline when they actually need to exit at Southern and drive south another mile on Price Rd where they'll turn left onto Baseline.
