

Arizona License Plate Society

SCRAPBOOK

On September 22, 2018, 55 people (42 members, 13 friends and family) met for our first ever meet at St Matthew United Methodist Church in Mesa. We had both the Air Conditioning and the FUN cranked up for this meet. The day started off sad as we learned of the recent passing of **Julio Abraham**, one of the early pioneers of our region here in Arizona. Rest in peace, friend. As for the meet, This was a great new site and our thanks go out to **Kevin Allen** for making this site available to us. Of course, our ALPS members didn't disappoint and provided an epic selection of plates available. Our display theme of Retro Designs was won by **Ken Fite**. Other winners were **Dean Sandvold** (2nd Place) and **John Spindler** (3rd Place). The long-distance winner was **Mike Wiener** who traveled from Albuquerque, New Mexico.
