

Treat yourself to a great souvenir and help support ALPS at the same time!

In 2021 there will be no individual meet dates on the plate.

DESIGN STILL IN PROGRESS

(Will be very similar graphic to the passenger plate version above, but consistent with past ALPS MC designs featuring the renewal sticker and format.)

The Official 2021 ALPS Passenger Souvenir Plate

The 18th ALPS plate in this series is a salute to Oatman AZ and its Route 66 history! The plate will feature the year only (2021) but not individual meet dates like we did in past years. This plate will be embossed. Also, these plates will be available as a vanity with **up to Eight (8)** characters, or you can reserve your special number that you had last year. Design is a rough prototype and will have changes, but the general idea will stay.

The Official 2021 ALPS Motorcycle Souvenir Plate

The motorcycle edition of the 2021 ALPS Oatman AZ Route 66 plate will be available as a vanity or sequential. Vanities are available in **up to five (5)** characters. Sequential plates are available in one or two numbers. Please be sure you get one by ordering before Dec 31st. Design will be similar to the passenger design but consistent with past ALPS MC designs.

Note: The Oatman plate pictured here is a prototype and subject to design changes.

We also have a few remaining plates available for the following (all embossed): **\$15.00 each:**

ALPS 2010 Kartchner Caverns: 64, 70, 79

ALPS T-Shirts: \$15.00 each: Maroon, Blue, and Black shirts available in sizes M - 3XL; ask about availability

Polo shirts available in most sizes in Hunter Green, Navy Blue, and Maroon

Write or call for specific availability – alpsclub@cox.net or 602-300-6680

We don't know when the plates will be done. We know about delays at the prison due to COVID19, and no idea about our next meet. We recommend paying for postage however the plates can be picked up at Clark's Mesa AZ home, Dean's Tucson AZ home, or held for a 'TBD' future meet

Proceeds from the sales of the ALPS annual souvenir plates benefit ALPS's general fund and help to keep the registration fees at ALPS meets reasonable while still being able to put on the type of meet you expect. Although our costs to put on meets have increased dramatically in the past several years, sales of souvenir plates and t-shirts have helped us offset most of the gap. Please help us maintain the quality of meets you expect from ALPS by supporting our souvenir plate program.
