SCRAPBOOK

On June 19, 2021 – ALPS hit an important milestone as we celebrated our 100th meet since re-joining ALPCA back in 2004, and what an event it was! Special thanks to Joe Findysz, host of our first, and 100th meet! 46 attendees (38 members, 8 guests) attended our meet at Joe's NEW place in Tucson! Joe connected us with the great lunch at Lucky Wishbone Chicken, a Tucson favorite. As always, a great selection of plates (including lots of Joey Hurd plates) were available at this new air conditioned indoor site. Our display theme of "The I-10 Plates" brought three winners. Dean Sandvold's Road Construction display won 1st, Bob LaBrash takes 2nd with his "west to east, 1929 and 1949" display, and Wally Punzmann takes 3rd with a demonstration of Arizona "alphabet soup" series. John Contreras from San Diego was our long distance award winner.
