

Arizona License Plate Society

SCRAPBOOK

On August 14, 2021 – 58 attendees (42 members, 16 guests) attended our meet at St Matthew United Methodist Church in Mesa. Special thanks to **Kevin Allen** for securing this site for us. As always, a great selection of plates (including lots of **Joey Hurd** plates) were available at this air conditioned indoor site. Our display theme of “Plates Acquired From A Friend” brought three winners. **Owen Hoffman’s** display won 1st, **Dean Sandvold** takes 2nd, and **Terry Beck** takes 3rd. **Jim Carden** from Michigan was our long distance award winner. For lunch, we had pizza and sides. **Sue Burns** made us some nice cookies that were the perfect dessert to top it all off. These meets continue to remind us of the power of friendships and social interaction, and several plates found new homes in the collections of our members. Thanks to everyone who attended.
