On March 12, 2022, 50 attendees (41 members, 9 guests) visited Joe Findysz' "In Progress" classic car project in Tucson. It's amazing to see the progress in less than a year, and the final place will be a classic experience we hope to enjoy for many years. Thanks so much to Joe and his entire family for making us feel welcome and making this site available to us. Springtime is always magical in Arizona and we are happy so many were able to join us. Lucky Wishbone chicken was the meal and nobody went home hungry. Our display theme of "Trucks, Tractors, and Big Rigs" brought several displays with Ken Fite taking first, Wally Punzmann second, and Bob LaBrash third. Long distance winner was Art Phillips from Colorado. A surprise visit from Ebby Claussner was a highlight, after almost two years of recovery. Great to see you Ebby!
