

Arizona License Plate Society

SCRAPBOOK

On August 6, 2022, 39 people (31 members, 8 guests) attended our first ever meet in the old mining town of Superior Arizona at the historic 1920 Magma Club. The beautiful backdrop of Pinal Peak invited guests along US-60 to our summer meet. Trading started early and lasted throughout the morning. Our display theme of "Plates I will never trade or sell" brought some unique displays of plates with all sorts of interesting back stories.

Plates included one from a car driven into the Grand Canyon "Thelma and Louise Style", and one found along the road years ago not far from today's meet! In the end, Terry Beck won first place, Dave Pinter took home second, and Wally Punzmann walked away with third place. John Hudson from Australia was our long distance award winner. Local pizza was our lunchtime meal, and we sold another silent auction lot of the Ron Chamberlain plates. Thanks to all who attended!
