

# Arizona License Plate Society SCRAPBOOK

On October 1, 2022, we made our first ever visit to Globe for our meet at the Gila County Fairgrounds. 28 people (23 members, 5 guests) made the drive on an unusual October meet date. The display theme of "Incomplete Runs" brought three displays, with Ken Fite winning first, Clark Wothe winning second, and Dean Sandvold winning third. Ray Havens was our Long Distance Award winner. There were several silent auction lots to bid on, and as always a great array of plates traded hands. We had some new members join us, as well as many of our long time favorites. Thanks to all who attended! We can't do it without you.
