

Arizona License Plate Society

SCRAPBOOK

On April 15, 2023, 56 people (44 members, 12 guests) attended our spring meet at **Joe Findysz** “Wheels of Time” experience in Tucson! Each year this experience keeps getting better. Thanks to the entire Findysz family. Special thanks to **Dean Sandvold**, **Kerry Weishaar** and **Kevin Allen** for setup help. The work the volunteers put in to make these events happen are the reason the ALPS meets are so successful. Please be sure to thank your ALPS volunteers. And Joe setting us up with Lucky Wishbone Chicken for lunch! All had a great time, and of course we had some more great plates available at the auctions.

The display theme of “Truth or a Lie” was won by **Dean Sandvold**, with second going to **Arlon Burns** and third place going to **Harry Baker**. **Frank Lujan** from Albuquerque was our long distance winner.
