## SCRAPBOOK

On August 12, 2023, ALPS held the Ron Chamberlain Memorial Meet at the new 100,000+ square foot Martin Auto Museum. This meet was made possible through the sale of plates donated to ALPS by the Chamberlain family allowing us to dramatically increase our budget for this meet. The members responded, 84 people (54 members and 30 guests) joined us for a FREE meet that included admission to the museum. The Chamberlain family were our guests and presented the display awards to the winners. Lunch was catered by Valle Luna Mexican Restaurant. The display theme of "Arizona, Montana, and Michigan – Ron's States" brought 9 great displays. Winners were Wally Punzmann 1st place for a display of Arizona copper sequential series, Bob LaBrash took home 2nd place with an impressive Arizona display, and Kerry Weishaar took 3rd with a 1976 Michigan display. Matthias Denig (12904) of Limburgerhof, Germany was our long distance award winner. We had several new members join us for their very first ALPS meet. Thanks for checking out our club!
