**The Official 2024 ALPS Passenger Souvenir Plate**

The 21st ALPS plate in this series is a salute to the London Bridge in Lake Havasu! The plate will feature the ALPS meets in 2024. This plate will be embossed. Also, these plates will be available as a vanity with **up to Eight (8)** characters, or you can reserve your special number that you had last year. Design is a prototype and will have changes, but the general idea will stay.

**The Official 2024 ALPS Motorcycle Souvenir Plate**

Proceeds from the sales of the ALPS annual souvenir plates benefit ALPS's general fund and help to keep the registration fees at ALPS meets reasonable while still being able to put on the type of meet you expect. Although our costs to put on meets have increased dramatically in the past several years, sales of souvenir plates and t-shirts have helped us offset most of the gap. Please help us maintain the quality of meets you expect from ALPS by supporting our souvenir plate program.
