

Arizona License Plate Society

SCRAPBOOK

On September 30, 2023, ALPS held our “end of summer” meet in Mesa at the St Matthew United Methodist Church. Special thanks to **Kevin Allen** for securing this site for us. The meet drew 40 people (30 members and 10 guests) and it was another great day of great plates and great friends. The display theme of “Military and Veteran” brought 5 great displays. Winners were **Dean Sandvold** 1st place for a display of Minnesota Military varieties, **Arlon Burns** took home 2nd place with an impressive tribute to his relatives who served, and **Dave Pinter** took 3rd with a great military base display of rare plates and odd toppers. Our long distance winner was **Ray Havens** who visited from San Diego. Lunch features fried chicken and wraps along with all the fixins. But the true star was the homemade dessert provided by **Sue Burns**. It’s these kinds of homemade touches that make meets so special. Thanks to all who attended.
