

Arizona License Plate Society

SCRAPBOOK

On June 8, 2024, 60 people (43 members, 17 guests) attended our June meet at the almost completed “Rolling Thru Time” Museum in Tucson! Thanks to our hosts **Joe and Kelly Findysz**. We appreciate this interesting site being available to us. The museum is bigger and better than ever. All had a great time, and a surprise donation of classic Arizona copper plates really made for a lively silent auction. The display theme of “Dealer type license plates” was won by **Arlon Burns**, with second going to **Ken Fite** and third place going to **Dean Sandvold**. **Ethan Craft** of Toronto was our long distance winner. For lunch we had Lucky Wishbone chicken and various fruit/salad options. Special thanks to **Sue Burns** who donated an awesome homemade dessert for everyone. Thanks to all who attended and making this an incredible day!
