

# Arizona License Plate Society

## SO R A P B O O K

On September 27, 2025, 48 people (35 members, 13 guests) attended our late summer meet at the Toltec Community Center in the freeway close town of Eloy. Trading started early and lasted throughout the morning. The room was packed as our attendance was higher than last year, and many plates found new homes. As always, lunch for everyone and Sue Burns awesome dessert! Our display theme of "Animal Graphics" brought three unique displays. In the end, Dean Sandvold won first place, Joe Griswold took home second, and Bob LaBrash walked away with third place. Matt Klahn from Chino Hills California was our long distance award winner. Thanks to all who attended!
