

# Arizona License Plate Society SCRAPBOOK

On May 23, 2026, ALPS made our visit to the ever expanding (and awesome) Rolling Thru Time Auto Museum in Tucson!. Our hosts, Joe and Kelly Findysz, have one again provided an amazing site for our meet. We had 61 people total, of which 40 were members and 21 guests. Lots of trading throughout the day and an amazing visit throughout the museum. The Star Wars display was an added bonus! We had a lot of fun exploring the expanses of this museum, and Joe seems to add something every year. Our display theme was "Low Numbers" and we saw 11 great displays! Thanks to everyone who brought a display! Special congrats to Ken Fite for winning 1<sup>st</sup>, Brian Giancola for taking 2<sup>nd</sup>, and Steve Benson for winning 3<sup>rd</sup>! Our long distance award winner was Dave Wilkinson from Seattle Washington! Thanks to all who attended this meet and looking forward to seeing you at the next meet in Superior!
